

HIGH SPEED TPMS

Schrader now offers a high speed TPMS sensor tested in applications up to 200mph!

Features and Benefits

- ▶ Sensor comes blank; program sensor to the vehicle's specific make, model and year.
- ▶ Exceeds OE quality requirements; be confident in installing quality products every time.
- ▶ Replicates OE functionality; offers fit, form and function expected from an OE manufacturer.
- ▶ Works with many leading TPMS learn tools you may already own; no need to buy a new tool.
- ▶ Adjustable angle stem; conveniently fits more aftermarket wheels.

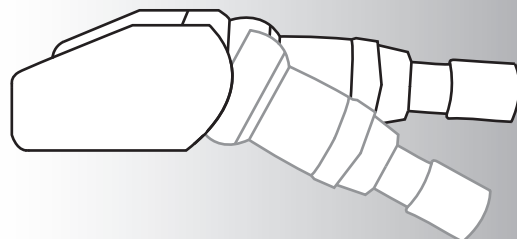

200MPH!*
